ASTRO OM EDUCATION & RESEARCH

About Us

ASTRO OM EDUCATION & RESEARCH is a modern, education-focused institute that provides **online classes for students of Class 6 to 10 (JAC)**.
Our core focus is on **English | Mathematics | IT (Computer Science)+AI | Science | SST** , where we combine strong theoretical concepts with **practical learning, projects, and exam-oriented preparation**.

Weekly and monthly online tests conducted in a supportive home environment, where parents (mother and father) can be available during the test to guide and monitor the student's discipline and seriousness.

Top 10% students with excellent academic and practical performance after one year will be eligible for a fee refund.
